

BRIDGESTONE

# DUELER A/T REVO 2 (ECO)

## All Season | Light/Medium Truck

Tough road conditions are easy to handle when you're riding on Dueler A/T REVO 2 tires. With its balanced tread design, this tire helps to deliver great performance as well as a quiet and smooth ride--an impressive feat for a tire with considerable all-terrain capabilities.

### ABOUT THIS TIRE

#### PERFORMANCE INFORMATION

#### OFFROAD PERFORMANCE

#### WET PERFORMANCE

#### WINTER PERFORMANCE

#### FEATURES

##### DUAL LAYER TREAD (AVAILABLE IN P-METRIC SIZES)

Minimizes the effect of wear on wet tire performance by exposing high grip rubber as the tire wears

##### DURATECH (AVAILABLE IN LT-METRIC AND FLOTATION SIZES)

High durability compound minimizes chipping and tearing of the tread to stand up to demanding applications

##### SEMI-STEALTH BLOCKS

Promotes higher tread stiffness for improved handling while enhancing water evacuation

##### STEPPED INSIDE NOTCH & SAW TOOTH GROOVES

Contributes to snow traction

##### OPEN SHOULDER TREAD DESIGN

Helps evacuate water and improves wet traction and handling

#### ECO EFFICIENCY

Bridgestone, using the philosophy of continuous improvement, is constantly making our great tires even better, including improving environmental performance. The Eco-Product designation shows this tire has the following characteristics:

- Improved rolling resistance, which helps increase fuel efficiency and reduce vehicle emissions.\*
- Longer lasting tread, which increases tire life and conserves resources.
- Environmentally conscious materials, such as non-aromatic oil and recycled materials.

\*As compared to the Bridgestone Dueler A/T Revo (Size: P265/70R17). Actual results may vary based on proper tire maintenance, vehicle, tire life, driving style and road conditions.
