BENEFITS

- ✓ All-terrain design to provide dependable all-terrain performance.
- ✓ Alternately scalloped shoulder lugs for improved traction on soft surfaces like mud and sand.

PERFORMANCE FEATURES

Here's how this tire performs in everyday driving.

- ✓ Long "Two Z" element siping help provide for long, dependable traction in all-weather conditions while balancing tread element stiffness for tread wear and handling.
- ✓ Lug tie-in zones incorporate raised, serrated "lug-locks" between the tread block elements to reinforce the tread pattern for enhanced steering and traction.
- ✓ Tapered tread feature deep tread in the center and slightly shallower tread in the shoulders to improve wear and wet handling while reducing weight.
