

# SINCERA SN250 A/S

**HIGH MILEAGE, ALL-SEASON  
PERFORMANCE TOURING**

**86% MARKET  
COVERAGE\***

**HIGHEST MARKET SHARE AND BEST PRICE  
INDEX AVERAGE VS. TARGET COMPETITORS**

Specifically designed to provide class-leading durability, all-season performance and ride comfort, the new **SINCERA SN250 A/S** truly delivers. Using Falken's proprietary Dynamic Range Technology (DRT), the SN250 A/S ensures maximum grip at a wider range of operating temperatures for exceptional dry and wet traction. Strategically placed tread blocks balance harmonics to reduce tire noise for an impressively quiet ride. When in light snow driving conditions, 3D Canyon Sipes add more gripping edges per outer block while angled tread grooves on every rib help increase snow traction by adding voids for packed snow. Featuring a 80K/75K limited mileage warranty, 54 sizes and covering a massive 86% of non-luxury sub-compact through full size vehicles, the SN250 A/S meets and exceeds all critical touring tire expectations and more. SINCERA, a name synonymous with excellent touring tire performance and reliable long-wearing capabilities, carries on the tradition of customer satisfaction with the new SN250 All-Season.
