

Ultra Grip 7

Premium Winter Tire For Cars & Vans

European design for Canadian winters. Provides excellent traction in all winter conditions. New tread design enhances traction and reduces tire noise. Maximum performance on snow and ice.

Features

- Waffle blade technology
- New Polymer tread compound
- Double "V" Grooving

Benefits

- Increase blade density for additional traction and reduced road noise. Decreases squirm in tight corners.
- Keeps tires pliable in extremely cold conditions. Advanced silica technology improves grip in wet conditions. Provides better traction in snow and ice.
- Provides efficient evacuation of water from tread. Improves traction in slushy conditions. Reduces aquaplaning in wet and slush.
