**Light Truck Radial
Kanati
Kanati Mud Hog**

[Back to Tires](#)

MUD TERRAIN TIRE: The Kanati Mud Hog, brought to you by Greenball, fuses both extreme function and high-end style into one aggressive tire. Kanati was designed specifically to match the needs of customers who seek a durable sidewall paired with a rugged tread design for conquering Mother Nature's most unforgiving obstacles. While more than capable of overcoming even the toughest of circumstances, Kanati Mud Hog also boasts that sleek yet aggressive style that turns heads and grabs the attention of all who stand in its path.
