Severe Service Emblem

NOKIAN HAKKAPELIITTA LT

The Hakkapeliitta LT delivers incredible off road traction through its Full Depth Locking Sipes and Arrowhead Tread Pattern. With its special long lasting rubber compound providing outstanding durability, this tire is designed to handle the most extreme conditions you can encounter on or off-road.

FEATURE	SAFETY BENEFITS
Full Depth Locking Sipes and Angled Tread Elements	1000's of biting edges creating unparalleled traction
Arrowhead Tread Pattern (directional)	Expels water, snow, and slush while providing uncompromised lateral grip
12 Row Patented Eco Stud System	Better grip and responsiveness on polished ice while giving a smoother, quieter ride
Jointless Nylon Belt	Helps prevent tread separations while providing smooth, comfortable ride
