

S.drive™

Aggressive Grip. Smooth Handling. Impeccable Control.

Introducing the S.drive™, a bold new addition to the Yokohama performance line-up. Packed with the latest technological advancements, the S.drive delivers extraordinary grip and handling. With over 70 different sizes, the broadest range of sport sedans and coupes can experience the latest performance upgrade from Yokohama.

Superior Grip

ADVANCED MICRO-FLEXIBLE COMPOUND

Using nanotechnology, Yokohama engineers have developed a revolutionary silica-based compound that conforms to surface irregularities. By maximizing contact between the tire and road, enhanced grip in wet and dry conditions is achieved.

VARIABLE ANGLED GROOVES

Angled groove walls optimize contact with the road and provide enhanced traction when cornering.

FOUR WIDE CIRCUMFERENTIAL GROOVES

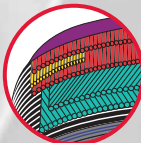

Quickly and efficiently evacuate water for enhanced wet traction.

High Speed Durability

JOINTLESS COVER CONSTRUCTION

The speed capable S.drive boasts a line-up in which most of the sizes are Y-rated, an achievement due in part to the double jointless belt cover.

GROOVE-IN-GROOVE TECHNOLOGY

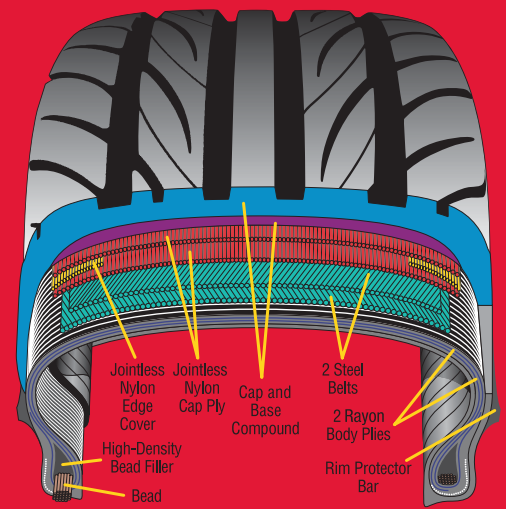

Tiny scores within the tire groove walls help to more effectively distribute stress loads and reduce uneven tire wear.

Smooth Ride

SOLID CENTER RIB

An unbroken center rib maintains continuous road contact, improves lateral stability and minimizes uneven wear, plus enhances comfort with reduced pattern noise.

Construction may vary by size and/or speed rating.

For Vehicles Mentioned Below and Many Others:

Acura RSX
Acura TL
Acura TSX
Audi A3
Audi A4
Audi A6
Audi S4
Audi TT
BMW 3-series
BMW 5-series
BMW 7-series
Ford Mustang

Honda Civic
Honda S2000
Infiniti G35
Lexus IS350
Lexus SC430
Mazda MX-5
Mazda RX-8
Mercedes Benz CLK class
Mercedes Benz CLS class
Mercedes Benz S class
Mercedes Benz SLK class
Nissan 350Z

Yokohama 30-Day Performance Promise

- Test drive the S.drive for 30 days. If not completely satisfied, bring them back for a full refund. See dealer for complete details.

V, W and Y Speed Rated

UTQG: 300/AA/A

- Highest possible rating for traction and performance
- Treadwear rating of 300 indicates longer mileage
